## Public Notice – Ingersoll Budget

The Town of Ingersoll is poised to pass its 2016 budget and is inviting public comment.

This budget proposes an effective residential tax increase of 0.42% or approximately \$8 on the average home.

The 2016 Budget is a 1.98% levy increase over the 2015 budget. However due to growth the tax rate is decreasing by 1.32%. At the same time assessment increases are pushing the effective rate back up leaving homeowners with the 0.42% effective tax increase (not taking into account County or Education taxes).

This budget puts in motion several of the Council's strategic plan initiatives, including a long range financial plan and investing in Capital Infrastructure and Roads. Council is working diligently on its asset management plan and is well on the way to make that plan self-sustaining, something that very few municipalities in all of Ontario can boast. This budget also puts into motion the beginnings of a new multi-use facility that is intended to be built sometime around 2020. For the full text of the strategic plan visit [Ingersoll.ca](http://Ingersoll.ca)

For those individuals that would like to comment on the proposed budget please send your comments in writing to the Clerk by Monday, February 1, 2016 so that Council may consider them at a special meeting on Thursday, February 4, 2016 at 7:00 pm. Those individuals that wish to be a delegation at that meeting must file in writing by Monday, February 1, 2016 with a copy of their comments. Each delegation will be given 10 minutes to present to Council at the special meeting of Thursday, February 4, 2016 at 7:00 pm.

Please send in your comments to:
