

Town of Ingersoll Boards and Committees

Ingersoll Primary Care Recruitment and Retention Advisory Committee

Overview

The Ingersoll Primary Care Recruitment and Retention Advisory Committee promotes and supports recruitment and retention of primary care providers that will practice or are currently practicing in the Town of Ingersoll. The committee will work with various organizations and stakeholders including but not limited to; Alexandra Hospital, Health Force Ontario, Ontario Health Team and the Physician Recruitment Committees within Oxford County.

Terms of Reference

The committee will establish and review recruitment initiatives identifying strengths, weaknesses, opportunities and threats to recruitment efforts. The committee will establish and review retention initiatives identifying strengths, weaknesses, opportunities and threats to the retention of practicing primary care providers. The committee will establish and regularly review action plans for recruitment and retention as well as identify the number of primary care providers required for the Town and hospital in the short-term, medium-term and long-term. The committee will develop and adhere to an annual budget subject to Council approval. Terms of reference to be reviewed annually.
